## COMPTON AVENUE CHURCH OF CHRIST 100+ YEARS ANNIVERSARY

Dear Brothers and Sisters in Christ,

It is coming and it promises to be monumental! The anniversary of a church is a special time when we come together to celebrate, reflect, and give thanks. It is a milestone that marks our congregation's journey, the way we have touched lives, and the impact we have made in our community. Our 100th-year anniversary celebration was delayed due to the COVID-19 Pandemic. Now standing 102 years strong we come together to praise God for His continued blessings on Compton Avenue Church of Christ. We invite you to join us as we celebrate our **102 Years Anniversary, July 26-28, 2024**. Our theme "**On Purpose Through Service**" exemplifies our focus on serving the community and winning souls to Christ.

As we prepare to embrace the future, we will reflect on our rich history and acknowledge those who paved the way for us and many other Church of Christ congregations in the Los Angeles area. We will recognize our past and present leadership contributions. Those to be highlighted include past ministers: Amos Lincoln Cassius, Arthur Perkins, Richard Barclay, and Lawrence Murray; and current minister, Anthony Stokes, Sr.

The three-day celebration weekend will be packed with intriguing **activities including a concert and special luncheon**. Please check our website for updates on how to purchase tickets for the luncheon.

To document our congregation's glorious history, we will be printing a **Souvenir Book**. **You are encouraged to place an ad for your business or congregation and be a participant on the patron's list in the Souvenir Book**. Please see the price sheet attached.

Payment may be made for the souvenir book ads via check. Please make your check payable to Compton Avenue Church of Christ and **submit by June 15, 2024**. Additional information and schedule of events will be available on the website at [comptonavecoc.org](http://comptonavecoc.org). Flyers will also be mailed to your congregation for posting.

Please email your art for your ad to [print@divinecreationswest.com](mailto:print@divinecreationswest.com).

If you have any questions, please call or text Bro Greg Garrett at (310) 387-2891.
